

Our Location

The College is located at about 12 Km from Nagpur on the Nagpur-Hingna road at Wanadongri, on a hilltop. Lush green campus has been developed in about 40 acre of land with well-maintained greenery and beautiful gardens. The College is located very close to a large industrial estate. This proximity makes us possible to have excellent industry-institute-interaction.

Our Institute

Dr. Babasaheb Ambedkar College of Engineering & Research (formerly known as SVSS college of Engineering & Research) was established in 2008 under Chairmanship of Hon'ble Shri Dattaji Meghe under the aegis of Meghe Group of Institutions (MGI), Nagpur. The Institute provides a scholarly environment where the talents of both faculty members and students are nurtured and used to create knowledge and Technology for the benefit of society.

About Department of Electrical Engg.

Electrical Engineering Department offers undergraduate programs since the academic year 2010-11 and post graduate course in power electronics and power system. Department focuses on Research activities in Power System, Power Electronics & Control systems and Renewable Energy Technology. It is equipped with state-of-the-art laboratories including high voltage & switchgear & protection. It has highly qualified & experienced faculty strength. More information about DBACER can be found on www.dbacer.edu.in.
