Celebrating 25 Years
OF ACADEMIC EXCELLENCE

About STES

Sinhgad Technical Education Society (STES) was set up in August 1993, under the able and dynamic leadership of Prof. M.N. Navale with an objective of providing quality education in the field of Engineering, Dentistry, Management, Computer, Pharmacy, Architecture, Hotel Management and the basic school education from kinder garden onwards. There are 100+ institutes under the aegis of STES offering full-fledged school education, diploma, Graduation, Post Graduation courses and Ph.D. programs in various branches of Engineering, Science and Management at nine educational campuses ideally located in pollution free lush green and picturesque environment conducive for learning. This year STES is celebrating 25 years of its academic excellence.

About SKNSITS

SKN Sinhgad Institute of Technology and Science situated at a beautiful location of Lonavala campus of Sinhgad, established in 2011 is a part of a well-known educational trust Sinhgad Technical Education Society having registered office in Pune. SKN Sinhgad Institute of Technology and Science is affiliated to the Savitribai Phule Pune University SPPU. SKNSITS is engrossed for its highest academic excellence and committed to provide quality education.

Besides conventional teaching, college puts special emphasis on e-based learning, subject-oriented value addition programs, experimental and industry oriented project work along with Entrepreneurship development cell, Student training program, AMCAT, research club activities. The College has an established system of feedback from the students, parents and industry. Every student is closely monitored by the system of Local Guardian scheme.

About E&TC Department

To ensure high standards of education for its students, the department offers excellent infrastructure and resources in the form of knowledgeable faculty, constantly upgraded well equipped and fully furnished laboratories to supplement the theory courses and a departmental library having a good collection of informative books. Our Department has student-centric approach and aims at establishing in our students a foundation for continuing

learning that is required for maintaining competency to solve new problems as they arise and groom our students as solution providers and not answer providers.

We as E&TC Family believes in serious academic pursuit and encourages radical and original thinking which paves the way for creativity and innovative ideas.

Conference Objectives
