INTERNATIONAL CONFERENCE ON ENGINEERING, SCIENCE AND TECHNOLOGY

(ICEST-2K24)

24th & **25**th May 2024

Organized by

Shahajirao Patil Vikas Pratishthan's

S B PATIL COLLEGE OF ENGINEERING, INDAPUR

Gat No. 58, Village-Vangali, Pune Solapur Highway,
Tal-Indapur, Dist- Pune 413106

About SBPCOE

Shahajirao Patil Vikas Pratishthan, a charitable trust (SPVP) was established by the visionary leader Hon. Shri. Harshavardhan Patil in the year 2006 with a broader objective of creating state of the art education facilities with global standards to the rural students'. The S B Patil College of Engineering under SPVP trust was established in year 2009-2010. The institute is currently having NAAC 'A' grade. The institute has fully developed infrastructure and provides four years course leading to Bachelor's degree from University of Pune in six branches namely Artificial intelligence and Data Science, Computer, Civil, Electronics and Telecommunications, Electrical and Mechanical. The Institute is approved by All India Council for Technical Education (AICTE), New Delhi and Government of Maharashtra, and is affiliated to the SPPU Pune. In our Institute, the teaching and non-teaching staff is a blend of senior experienced and young dynamic faculty members devoted to the noble cause of education along with staff quarters in campus. In addition to academics, the students are engaged in sports and cultural activity to provide a healthy relief from rigorous routine .

About Conference

The objective of the international conference is to congregate leading academicians, researchers, scholars and scientists to share the insights of original research work and foster collaboration in research and innovation arena. Solving global challenges involves convergence of innovative strategies from multiple disciplines in engineering and technology. ICEST-2K24 will highlight the role of inter- disciplinary approach as a unifying force, while bridging gaps between various academic and professional domains. The conference provides a common platform to put forth the scientific views and establish network of research community.

Paper Publication

- The all accepted papers will be published in the Google Scholar indexed Journal.
- The papers which get selected through a rigorous peer-review process will be published in WoS/SCOPUS/UGC Care journals with additional cost.
- The details of journals will be provided at the time of acceptance through mail.

Call for papers

- Track 1: Computer/IT/AI&DS Engineering
- Track 2: E&TC/Electrical Engineering
- Track 3: Civil/Mechanical Engineering
- Track 4: Applied Science Engineering

Authors Guideline for Paper submission

Authors are kindly invited to submit their formatted full length paper including result, tables, figures, references etc.

Paper Submission

Submit your full length paper on icest2k24@gmail.com in word and PDF format
